

4 In The Air Trial Program

Think Durability.
Think DuraGuard.

DuraGuard is offering a 90-day Risk-Free trial of our Hampton LED High Bays so you can try before you buy!

How to participate:

- Order 4 DuraLED Hampton High Bays.
- We pay the freight to you, invoice you at shipment and give you 90 days to see the performance for yourself.
- If not satisfied within 90 days, return them, freight prepaid with a valid RGA number.
- Qualifying products: HB44 and HB45 models.

DuraLED Hampton High Bays offer you:

- Ability to replace up to 1000w MH fixtures with energy-saving LED.
- Light levels maintained at 90% or better over the life of the system.
- Reduced maintenance costs vs. HID or Fluorescent systems.
- 50% or greater energy savings over HID systems.

See www.duraguard.com/4intheair for complete program details.
