

DuraLED Orca Bollard

Coastal Series, B9

LEDicated

The nautically inspired Orca Bollard provides pedestrian and parking area lighting with a seaside flair. Specially designed optics offer excellently controlled, uniform lighting. Typical applications include parking areas, walkways, and landscape accents.

- Energy savings of 80% or more versus comparable metal halide luminaires
- Precision optics for controlled, uniform lighting
- Type III optical distribution
- Graceful, curving lines in a durable sand-cast housing with weather-resistant powdercoat finish
- Vandal-resistant, UV-stabilized polycarbonate lens protects internal components
- 18 watt DuraLED array delivers 2,100 lumens, up to 103 lumens per watt, to easily replace legacy 70-100 watt HID systems
- Available in 3000K, 4000K and 5000K CCT (others available by special order)
- Easily upgrade existing bollard installations using our RetroBase Kit (see reverse)

Catalog Number: B9QC1X18U*KC♦ (*3K, 4K, 5K; ♦B=Black, Z=Bronze)
